Conclusions: #6 then #8

Action items	Person responsible	Deadline
Research AI articles and media	Both	9/29 1PM

Discussion

- a) How you think the work can add value to you and your team (What is in it for me)
 - Since AI is so big right now, it gives both of us a chance to be in the know for a huge topic in the technology field
 - (For Casey) Allows me to present on a topic I'm taking an entire course on (CS370)
- b) availability of different literature online
 - In a basic Google search, James came across multiple articles discussing AI in the way we wish to
- c) Team's interest levels etc.
 - Both of us are relatively interested in AI and are willing to research and present on it
